After a whole year of learning and experiences, here is the time we would like to request you to reflect on the year gone by and give your views/ideas and suggestion which you would be looking forward to in the school being implemented. The survey in the link below is a valuable opportunity for you to give your views on the school you have chosen for your children and the education they are receiving.

Kindly be assured that the data received will be purposeful planning and support and will be confidential.

We would like to request you to complete the survey in the link below:
