Subject: Plastic Pen Recycling Competition with Bic x DGrade

Dear Parents,

Greetings from JSSPS!!

The environment committee of the primary school is thrilled to announce a special initiative to contribute to a more sustainable future – **Plastic Pen Recycling Competition** with Bic x D Grade. This initiative aims to promote recycling and environmental awareness, and we're excited to invite you to be a part of this meaningful cause.

Why Participate?

By collecting and recycling plastic pens you will directly contribute to reducing waste and promoting an eco-friendlier environment.

How Can You Help?

Starting **1st April 2024**, we encourage all students to actively participate by bringing plastic pens, sketch pens or markers which must be handed over to the respective class teacher. Students may bring them to school only every Thursday. The collection will conclude on **31st May 2024**.

Only plastic writing instruments will be collected Any non-plastic items will not be included in the collection weights for the competition. The plastic collected will be recycled into new products such as clothing and outdoor furniture.

Winners of the largest contribution of plastic writing instruments will be awarded by the school.

Participating in this competition conserves resources, saves energy, protects ecosystems, and raises awareness about responsible waste management for a cleaner, healthier environment

We urge your support in this competition

Stay safe; Stay healthy; Stay connected.

Warm Regards

Sd/-..
