Subject: Day Trip to Green Planet

Dear Parent,

Field visit provide children an opportunity to have deeper understanding of content in variety of ways. Going for a field trip enhances children's critical thinking skills and gives students a chance to think about a theme in a different perspective.

So, on this note to enhance our children's learning and to sensitize students to Sustainability and greener future, an excursion has been planned for our "Eco_Elves" of Grade 1 & 2. The students will have a day trip to the '**GREEN PLANET**' City Walk, Dubai on **18th March 2024**.

GREEN PLANET is an expansive botanical museum featuring an indoor rainforest with living plants, animals and birds. This experience will awaken the curiosity of children towards mother Earth and help our little ones connect to the theme for the year "Eco_Elves and "Smiling minds". It is strongly recommended that your child participates in this expeditionary and impactful learning where they experience variety of Flora and Fauna under one roof.

Students will attend this trip from **8:00 a.m.** to **12:30 p.m.** during school hours. They will board the **1:00 p.m.** bus for dispersal from school. Interested students must make cash payment of **AED 90/-** and submit the acknowledgement slip (Ref page 2) by **Tuesday, 12th March 2024** to the class teacher.

Requesting you to send the following:

- A small bag with the school diary and pencil box.
- A water bottle, dry snacks and a cap.
- Name tag on the materials carried.
- Dress code: PE uniform and bus card.

Stay safe; Stay healthy; Stay connected.

Warm Regards

Sd/..
